8 techniques shall be passed along by the
9 state to any and all social services
10 districts that the office of children and
11 family services has determined have not
12 complied with the title IV-E eligibility
13 requirements or have not taken the neces-
14 sary actions to ensure compliance with
15 such requirements including, but not
16 limited to, failing to: assess and fully
17 document all the criteria and have readily
18 available all the necessary documents to
19 establish and continue title IV-E eligi-
20 bility for all title IV-E eligible chil-
21 dren within the required time frames;
22 claim title IV-E funding only for cases
23 that meet all of the title IV-E eligibil-
24 ity criteria; and fully implement the
25 social services payment system on or
26 before April 1, 2005 for all direct and
27 voluntary agency foster care services.
28 Notwithstanding any law to the contrary, the
29 office of children and family services
30 shall impose on social services districts
31 any federal disallowance issued against
32 the state as a result of a federal title
33 IV-E secondary eligibility review regard-
34 less of the date the children may have
35 entered foster care, the date the eligi-
36 bility or payment errors occurred, or the
37 filing date of any federal claims for
38 reimbursement; provided, however, that the
39 state shall be responsible for the disal-
40 lowed costs and expenditures related to
41 the placement of children in a facility
42 operated by the office of children and
43 family services, which shall be determined
44 in the same manner as the disallowed costs
45 and expenditures for social services
46 districts other than the city of New York.

48 ment for the full amount of any disallow-
49 ance imposed on the state by the federal
50 administration for children and families
51 within the timeframes necessary to avoid

1 any potential interest payments on such
2 amount, the office of children and family
3 services is authorized to immediately
4 offset funds otherwise due to each
5 district for a pro rata share of the total
6 disallowed costs based on the percentage
7 of applicable federal title IV-E claims
8 made by that district for the relevant
9 time period as compared to the total
10 applicable statewide title IV-E claims.
11 The amount of the offset against each
12 district will be adjusted, if necessary,
13 upon completion of the disallowance allo-
14 cation process. The final allocation of
15 the amount of any federal disallowance
16 resulting from a title IV-E secondary
17 eligibility review shall be allocated
18 among the districts so that each district
19 shall be responsible for the amount
20 attributable to each of the district's
21 children or cases that are determined by
22 the federal review to be unallowable. Each
23 district shall also be responsible for a
24 portion of the federal extrapolated disal-
25 lowance amount based on the relative error
26 rate for the district. The city of New
27 York's error rate will be based on the
28 federal sample and federal statistics. For
29 all social services districts other than
30 the city of New York, the error rate will
31 be based on a review conducted by the
32 district of a sample of children and/or
33 cases determined by the office of children
34 and family services and a re-review of a
35 sub-sample by the office of those children
36 and/or cases determined by the office. The
37 office of children and family services
38 will determine what is reasonable in
39 establishing the size of the sample and
40 sub-sample for each district. The office
41 of children and family services shall
42 notify each social services district of
43 the sample of children and/or cases from
44 the federal audit period that the social
45 services district must review. Any child
46 or case from the social services district
47 that was included in the federal sample
48 will automatically be included in the
49 social services district's review sample
50 and the determination made at the federal
51 review regarding that child or case will

1 govern for the purposes of the social
2 services district's review. The social
3 services district must complete and submit
4 the results of its review to the office of
5 children and family services within 60
6 days of receipt of the sample. The error
7 rate for the district will be based on the
8 findings of the district's review and the
9 office of children and family services'
10 re-review. If a social services district
11 does not complete its review within 60
12 days of receiving the sample from the
13 office of children and family services,
14 the office of children and family services
15 shall assign an error rate to the social
16 services district based on the relative
17 percentage of the district's applicable
18 title IV-E claims for the relevant period
19 as compared to applicable statewide title
20 IV-E claims for that period and other
21 circumstances that the office of children
22 and family services may consider in order
23 to allocate 100 percent of the federal
24 disallowance. The office of children and
25 family services shall apply each social
26 services district's error rate to the
27 total amount of the district's applicable
28 title IV-E claims including associated
29 administrative expenses. The resulting
30 dollar amounts for all of the social
31 services districts will be summed to
32 derive the total amount of title IV-E
33 claims deemed to be in error statewide. To
34 establish a disallowance percentage for
35 each social services district, the amount
36 of the district's title IV-E claims deemed
37 to be in error will be divided by the
38 amount of statewide title IV-E claims
39 deemed to be in error. The resulting
40 disallowance percentage for each district
41 will be applied to the entire title IV-E
42 extrapolated disallowance calculated by
43 the federal review to determine the amount
44 of the extrapolated disallowance for which
45 the district is responsible. Each district
46 will be credited for the amount already
47 disallowed for any individual children or
48 cases found to be in error during the
49 federal review. The exclusive appeal
50 rights for the review of the amount of the
51 federal disallowance assigned to each

4 director of the budget, may reduce a district's block grant allo-
5 cation by the state share decrease related to federal retroactive
6 reimbursement for such foster care services identified herein. The
7 office, with the approval of the director of the budget, may reduce
8 a district's block grant allocation by the state share of disallow-
9 ances or sanctions taken against the district pursuant to the social
10 services law or federal law.

11 Notwithstanding any other provision of law, the state shall not be
12 responsible for reimbursing a social services district and a
13 district shall not seek state reimbursement for any portion of any
14 state disallowance or sanction taken against the social services
15 district, or any federal disallowance attributable to final federal
16 agency decisions or to settlement made, on or after July 1, 1995,
17 when such disallowance or sanction results from the failure of the
18 social services district to comply with federal or state require-
19 ments, including, but not limited to, failure to document eligibil-
20 ity for federal or state funds in the case record; provided, howev-
21 er, if the office determines that any federal disallowance for
22 services provided between January 1, 1999 and May 31, 1999 results
23 solely from the late enactment of the state legislation implementing
24 the federal adoption and safe families act, the state shall be sole-
25 ly responsible for the full amount of the disallowance or sanction;
26 provided, further, however, this provision shall be deemed to apply
27 both prospectively and retroactively regardless of whether such
28 sanctions or disallowances are for services provided or claims made
29 prior to or after April 1, 2021.

30 Notwithstanding any other provision of law, any federal disallowance
31 resulting from a federal title IV-E eligibility review or audit that
32 uses extrapolated statistic techniques shall be passed along by the
33 state to any and all social services districts that the office of
34 children and family services has determined have not complied with
35 the title IV-E eligibility requirements or have not taken the neces-
36 sary actions to ensure compliance with such requirements including,
37 but not limited to, failing to: assess and fully document all the
38 criteria and have readily available all the necessary documents to
39 establish and continue title IV-E eligibility for all title IV-E
40 eligible children within the required time frames; claim title IV-E
41 funding only for cases that meet all of the title IV-E eligibility
42 criteria; and fully implement the social services payment system on
43 or before April 1, 2005 for all direct and voluntary agency foster
44 care services.

45 Notwithstanding any law to the contrary, the office of children and
46 family services shall impose on social services districts any feder-
47 al disallowance issued against the state as a result of a federal
48 title IV-E secondary eligibility review regardless of the date the
49 children may have entered foster care, the date the eligibility or
50 payment errors occurred, or the filing date of any federal claims
51 for reimbursement; provided, however, that the state shall be

1 responsible for the disallowed costs and expenditures related to the
2 placement of children in a facility operated by the office of chil-
3 dren and family services, which shall be determined in the same
4 manner as the disallowed costs and expenditures for social services
5 districts other than the city of New York. In order to reimburse the
6 federal government for the full amount of any disallowance imposed
7 on the state by the federal administration for children and families
8 within the timeframes necessary to avoid any potential interest
9 payments on such amount, the office of children and family services
10 is authorized to immediately offset funds otherwise due to each
11 district for a pro rata share of the total disallowed costs based on
12 the percentage of applicable federal title IV-E claims made by that
13 district for the relevant time period as compared to the total
14 applicable statewide title IV-E claims. The amount of the offset
15 against each district will be adjusted, if necessary, upon
16 completion of the disallowance allocation process. The final allo-
17 cation of the amount of any federal disallowance resulting from a
18 title IV-E secondary eligibility review shall be allocated among the
19 districts so that each district shall be responsible for the amount
20 attributable to each of the district's children or cases that are
21 determined by the federal review to be unallowable. Each district
22 shall also be responsible for a portion of the federal extrapolated
23 disallowance amount based on the relative error rate for the
24 district. The city of New York's error rate will be based on the
25 federal sample and federal statistics. For all social services
26 districts other than the city of New York, the error rate will be
27 based on a review conducted by the district of a sample of children
28 and/or cases determined by the office of children and family
29 services and a re-review of a sub-sample by the office of those
30 children and/or cases determined by the office. The office of chil-
31 dren and family services will determine what is reasonable in estab-
32 lishing the size of the sample and sub-sample for each district. The
33 office of children and family services shall notify each social
34 services district of the sample of children and/or cases from the
35 federal audit period that the social services district must review.
36 Any child or case from the social services district that was
37 included in the federal sample will automatically be included in the
38 social services district's review sample and the determination made
39 at the federal review regarding that child or case will govern for
40 the purposes of the social services district's review. The social
41 services district must complete and submit the results of its review
42 to the office of children and family services within 60 days of
43 receipt of the sample. The error rate for the district will be based
44 on the findings of the district's review and the office of children
45 and family services' re-review. If a social services district does
46 not complete its review within 60 days of receiving the sample from
47 the office of children and family services, the office of children
48 and family services shall assign an error rate to the social
49 services district based on the relative percentage of the district's
50 applicable title IV-E claims for the relevant period as compared to
51 applicable statewide title IV-E claims for that period and other

1 circumstances that the office of children and family services may
2 consider in order to allocate 100 percent of the federal disallow-
3 ance. The office of children and family services shall apply each
4 social services district's error rate to the total amount of the
5 district's applicable title IV-E claims including associated admin-
6 istrative expenses. The resulting dollar amounts for all of the
7 social services districts will be summed to derive the total amount
8 of title IV-E claims deemed to be in error statewide. To establish a
9 disallowance percentage for each social services district, the
10 amount of the district's title IV-E claims deemed to be in error
11 will be divided by the amount of statewide title IV-E claims deemed
12 to be in error. The resulting disallowance percentage for each
13 district will be applied to the entire title IV-E extrapolated
14 disallowance calculated by the federal review to determine the
15 amount of the extrapolated disallowance for which the district is
16 responsible. Each district will be credited for the amount already
17 disallowed for any individual children or cases found to be in error
18 during the federal review. The exclusive appeal rights for the
19 review of the amount of the federal disallowance assigned to each
20 social services district shall be pursuant to article 78 of the
21 civil practice law and rules; provided, however, that in any such
22 action all of the social services districts shall be joined as
23 necessary parties and the venue of any such action shall be in Rens-
24 selaer county. Any social services district that fails to complete
25 its sample review in the required time frames shall have no right to
26 appeal and shall not be a necessary party to any action brought by
27 another social services district.

4 By chapter 53, section 1, of the laws of 2020:

5 Notwithstanding any inconsistent provision of law, the amount appro-
6 priated herein, shall be available under a foster care block grant
7 for state reimbursement of eligible social services district expend-
8 itures for the provision and administration of foster care services
9 including care, maintenance, supervision, and tuition; for super-
10 vision of foster children placed in federally funded job corps
11 programs; for care, maintenance, supervision, and tuition for adju-
12 dicated juvenile delinquents placed in residential programs operated
13 by authorized agencies and in out-of-state residential programs; and
14 for the provision and administration of the kinship guardian assist-
15 ance program including kinship guardianship assistance payments and
16 payments for non-recurring guardianship expenses; except that,
17 reimbursement from the amount appropriated herein shall not be
18 available for tuition expenditures for foster children, including
19 persons in need of supervision and adjudicated juvenile delinquents,
20 made by a social services district located within a city having a
21 population of one million or more.

22 Notwithstanding any other provision of law, a portion of the funds are
23 available to reimburse social services districts for the change in
24 the maximum state aid rates established by the office of children
25 and family services for the 2020-21 rate year pursuant to section
26 398-a of the social services law and sections 4003 and 4405 of the
27 education law to reflect the continuation of the cost of living
28 adjustments that became effective April 1, 2008 for payments made to
29 foster parents and for salary and fringe benefit costs and other
30 critical nonpersonal services costs for foster care programs as
31 determined by the office. Social services districts must adjust the
32 amount of payments made for care provided by congregate care and
33 foster boarding home programs and to foster parents to reflect the
34 cost of living adjustments in the manner specified by the office.
35 Each authorized agency operating a congregate care or foster board-
36 ing home program in New York state for which the office sets a maxi-
37 mum state aid rate pursuant to section 398-a of the social services
38 law or section 4003 or 4405 of the education law shall submit, at
39 the time and in a manner to be determined by the office, a written
40 certification, attesting that the funds received for the continua-
41 tion of the cost of living adjustment to the maximum state aid rate
42 that became effective April 1, 2008 for that program will be or were
43 used solely in accordance with the requirements of the cost of
44 living adjustment established by the office.

45 Notwithstanding any inconsistent provision of law, for the period
46 commencing on April 1, 2020 and ending March 31, 2021 the commis-
47 sioner shall not apply any cost of living adjustment for the purpose
48 of establishing rates of payments, contracts or any other form of
49 reimbursement.

AID TO LOCALITIES - REAPPROPRIATIONS 2022-23

1 Within the amounts appropriated herein, state reimbursement to each
2 social services district for services identified herein that are
3 otherwise reimbursable by the state from April 1, 2020 through March
4 31, 2021 shall be limited to a district allocation, hereinafter
5 referred to as the district's block grant allocation. Notwithstand-
6 ing any other provision of law, such block grant allocation shall be
7 based, in part, on each district's claims for such costs, adjusted
8 by the applicable cost allocation methodology and net of any retro-
9 active payments for the 12 month period ending June 30, 2019 that
10 are submitted on or before January 2, 2020 and, in part, on such
11 other factors as determined by the office of children and family
12 services and approved by the director of the budget. Any portion of
13 a social services district's allocation from funds appropriated
14 herein not claimed by such district during the state fiscal year may
15 be used by such district for expenditures on preventive services
16 provided pursuant to section 409-a of the social services law, inde-
17 pendent living services and aftercare services provided pursuant to
18 regulations of the department of family assistance, claimed by such
19 district during the next state fiscal year up to the amount remain-
20 ing from the district's foster care block grant allocation, provided
21 however, that any claims for such services during the next state
22 fiscal year in excess of such amount shall be subject to 62 percent
23 state reimbursement exclusive of any federal funds made available
24 for such purposes, in accordance with directives of the department
25 of family assistance and subject to the approval of the director of
26 the budget. Any claims submitted by a social services district for
27 reimbursement for a particular state fiscal year for which the
28 social services district does not receive state or federal
29 reimbursement during that state fiscal year may not be claimed
30 against that district's block grant apportionment for the next state
31 fiscal year.

32 The office of children and family services, with the approval of the
33 director of the budget, may reduce a district's block grant allo-
34 cation by the state share decrease related to federal retroactive
35 reimbursement for such foster care services identified herein. The
36 office, with the approval of the director of the budget, may reduce
37 a district's block grant allocation by the state share of disallow-
38 ances or sanctions taken against the district pursuant to the social
39 services law or federal law.

40 Notwithstanding any other provision of law, the state shall not be
41 responsible for reimbursing a social services district and a
42 district shall not seek state reimbursement for any portion of any
43 state disallowance or sanction taken against the social services
44 district, or any federal disallowance attributable to final federal
45 agency decisions or to settlement made, on or after July 1, 1995,
46 when such disallowance or sanction results from the failure of the
47 social services district to comply with federal or state require-
48 ments, including, but not limited to, failure to document eligibil-
49 ity for federal or state funds in the case record; provided, howev-
50 er, if the office determines that any federal disallowance for
51 services provided between January 1, 1999 and May 31, 1999 results

1 solely from the late enactment of the state legislation implementing
2 the federal adoption and safe families act, the state shall be sole-
3 ly responsible for the full amount of the disallowance or sanction;
4 provided, further, however, this provision shall be deemed to apply
5 both prospectively and retroactively regardless of whether such
6 sanctions or disallowances are for services provided or claims made
7 prior to or after April 1, 2020.

8 Notwithstanding any other provision of law, any federal disallowance
9 resulting from a federal title IV-E eligibility review or audit that
10 uses extrapolated statistic techniques shall be passed along by the
11 state to any and all social services districts that the office of
12 children and family services has determined have not complied with
13 the title IV-E eligibility requirements or have not taken the neces-
14 sary actions to ensure compliance with such requirements including,
15 but not limited to, failing to: assess and fully document all the
16 criteria and have readily available all the necessary documents to
17 establish and continue title IV-E eligibility for all title IV-E
18 eligible children within the required time frames; claim title IV-E
19 funding only for cases that meet all of the title IV-E eligibility
20 criteria; and fully implement the social services payment system on
21 or before April 1, 2005 for all direct and voluntary agency foster
22 care services.

23 Notwithstanding any law to the contrary, the office of children and
24 family services shall impose on social services districts any feder-
25 al disallowance issued against the state as a result of a federal
26 title IV-E secondary eligibility review regardless of the date the
27 children may have entered foster care, the date the eligibility or
28 payment errors occurred, or the filing date of any federal claims
29 for reimbursement; provided, however, that the state shall be
30 responsible for the disallowed costs and expenditures related to the
31 placement of children in a facility operated by the office of chil-
32 dren and family services, which shall be determined in the same
33 manner as the disallowed costs and expenditures for social services
34 districts other than the city of New York. In order to reimburse the
35 federal government for the full amount of any disallowance imposed
36 on the state by the federal administration for children and families
37 within the timeframes necessary to avoid any potential interest
38 payments on such amount, the office of children and family services
39 is authorized to immediately offset funds otherwise due to each
40 district for a pro rata share of the total disallowed costs based on
41 the percentage of applicable federal title IV-E claims made by that
42 district for the relevant time period as compared to the total
43 applicable statewide title IV-E claims. The amount of the offset
44 against each district will be adjusted, if necessary, upon
45 completion of the disallowance allocation process. The final allo-
46 cation of the amount of any federal disallowance resulting from a
47 title IV-E secondary eligibility review shall be allocated among the
48 districts so that each district shall be responsible for the amount
49 attributable to each of the district's children or cases that are
50 determined by the federal review to be unallowable. Each district
51 shall also be responsible for a portion of the federal extrapolated

1 disallowance amount based on the relative error rate for the
2 district. The city of New York's error rate will be based on the
3 federal sample and federal statistics. For all social services
4 districts other than the city of New York, the error rate will be
5 based on a review conducted by the district of a sample of children
6 and/or cases determined by the office of children and family
7 services and a re-review of a sub-sample by the office of those
8 children and/or cases determined by the office. The office of chil-
9 dren and family services will determine what is reasonable in estab-
10 lishing the size of the sample and sub-sample for each district.
11 The office of children and family services shall notify each social
12 services district of the sample of children and/or cases from the
13 federal audit period that the social services district must review.
14 Any child or case from the social services district that was
15 included in the federal sample will automatically be included in the
16 social services district's review sample and the determination made
17 at the federal review regarding that child or case will govern for
18 the purposes of the social services district's review. The social
19 services district must complete and submit the results of its review
20 to the office of children and family services within 60 days of
21 receipt of the sample. The error rate for the district will be based
22 on the findings of the district's review and the office of children
23 and family services' re-review. If a social services district does
24 not complete its review within 60 days of receiving the sample from
25 the office of children and family services, the office of children
26 and family services shall assign an error rate to the social
27 services district based on the relative percentage of the district's
28 applicable title IV-E claims for the relevant period as compared to
29 applicable statewide title IV-E claims for that period and other
30 circumstances that the office of children and family services may
31 consider in order to allocate 100 percent of the federal disallow-
32 ance. The office of children and family services shall apply each
33 social services district's error rate to the total amount of the
34 district's applicable title IV-E claims including associated admin-
35 istrative expenses. The resulting dollar amounts for all of the
36 social services districts will be summed to derive the total amount
37 of title IV-E claims deemed to be in error statewide. To establish a
38 disallowance percentage for each social services district, the
39 amount of the district's title IV-E claims deemed to be in error
40 will be divided by the amount of statewide title IV-E claims deemed
41 to be in error. The resulting disallowance percentage for each
42 district will be applied to the entire title IV-E extrapolated
43 disallowance calculated by the federal review to determine the
44 amount of the extrapolated disallowance for which the district is
45 responsible. Each district will be credited for the amount already
46 disallowed for any individual children or cases found to be in error
47 during the federal review. The exclusive appeal rights for the
48 review of the amount of the federal disallowance assigned to each
49 social services district shall be pursuant to article 78 of the
50 civil practice law and rules; provided, however, that in any such
51 action all of the social services districts shall be joined as

2 selaer county. Any social services district that fails to complete
3 its sample review in the required time frames shall have no right to
4 appeal and shall not be a necessary party to any action brought by
5 another social services district.

6 The money hereby appropriated is to be available for payment of state
7 aid heretofore accrued or hereafter to accrue to municipalities.
8 Subject to the approval of the director of the budget, such funds
9 shall be available to the office net of disallowances, refunds,
10 reimbursements, and credits.

11 Notwithstanding any inconsistent provision of law, the amount herein
12 appropriated may be transferred to any other appropriation within
13 the office of children and family services and/or the office of
14 temporary and disability assistance and/or suballocated to the
15 office of temporary and disability assistance for the purpose of
16 paying local social services districts' costs of the above program
17 and may be increased or decreased by interchange with any other
18 appropriation or with any other item or items within the amounts
19 appropriated within the office of children and family services

21 director of the budget who shall file such approval with the depart-
22 ment of audit and control and copies thereof with the chairman of

25 Notwithstanding any inconsistent provision of law, in lieu of payments
26 authorized by the social services law, or payments of federal funds
27 otherwise due to the local social services districts for programs
28 provided under the federal social security act or the federal food
29 stamp act, funds herein appropriated, in amounts certified by the
30 state comptroller or the state commissioner of health as due from
31 local social services districts each month as their share of
32 payments made pursuant to section 367-b of the social services law
33 may be set aside by the state comptroller in an interest bearing
34 account with such interest accruing to the credit of the locality in
35 order to ensure the orderly and prompt payment of providers under
36 section 367-b of the social services law pursuant to an estimate
37 provided by the commissioner of health of each local social services
38 district's share of payments made pursuant to section 367-b of the
39 social services law.

40 Notwithstanding the provisions of any other law to the contrary, the
41 office of children and family services may, on behalf of social
42 services districts, make payments to foster boarding homes paid
43 directly by social services districts by direct deposit or debit
44 card. Local social services districts shall reimburse the office for
45 the costs of administering such direct deposit or debit card
46 payments.

47 Notwithstanding any inconsistent provision of the social services law
48 or the state finance law, the office of children and family services
49 shall, on a quarterly basis, request that the office of temporary

11 March 31, 2021 for child welfare services which shall include and be
12 limited to preventive services provided pursuant to section 409-a of

17 than adoption subsidies provided pursuant to title 9 of article 6 of

20 1, 2020 and that are otherwise reimbursable by the state on or after
21 April 1, 2020, after first deducting therefrom any federal funds
22 properly received or to be received on account thereof upon certif-
23 ication by the social services district that it will not be using
24 these funds to supplant other state and local funds and that the
25 district will not submit claims for reimbursement under this appro-
26 priation for the same type and level of services that the county
27 previously provided and claimed under any contract in existence on
28 October 1, 2002 as other than child protective, preventive, inde-
29 pendent living, after care or adoption services or adoption adminis-
30 tration.

31 The money hereby appropriated is to be available for payment of state
32 aid heretofore accrued or hereafter to accrue to municipalities.
33 Subject to the approval of the director of the budget, such funds
34 shall be available to the office net of disallowances, refunds,
35 reimbursements, and credits; provided, however, that notwithstanding
36 any other provision of law, for a district to receive reimbursement
37 for such services, the amount of funds that the district expends on
38 such services from its flexible fund for family services allocation
39 and any flexible fund for family services funds transferred at the
40 district's request to the title XX social services block grant must,
41 to the extent that families are eligible therefore, be equal to or
42 greater than the district's portion of the \$382,322,341 statewide
43 child welfare threshold amount, which shall be established pursuant
44 to a formula developed by the office of temporary and disability
45 assistance and the office of children and family services and
46 approved by the director of the budget.

47 Notwithstanding any other provision of law, selected social services

1 costs of the New York state medical indemnity fund, pursuant to
2 chapter 59 of the laws of 2011, and state costs or savings from the
3 essential plan program. Such projections may be adjusted by the
4 director of the budget to account for increased or expedited depart-
5 ment of health state funds medicaid expenditures as a result of a
6 natural or other type of disaster, including a governmental declara-
7 tion of emergency.

8 The director of the budget, in consultation with the commissioner of
9 health, shall assess on a quarterly basis known and projected medi-
10 caid expenditures by category of service and by geographic region,
11 as determined by the commissioner of health, incurred both prior to
12 and subsequent to such assessment for each such period, and if the
13 director of the budget determines that such expenditures are
14 expected to cause medicaid spending for such period to exceed the
15 aggregate limit specified herein for such period, the state medicaid
16 director, in consultation with the director of the budget and the
17 commissioner of health, shall develop a medicaid savings allocation
18 adjustment to limit such spending to the aggregate limit specified
19 herein for such period.

20 Such medicaid savings allocation adjustment shall be designed, to
21 reduce the expenditures authorized by the appropriations herein in
22 compliance with the following guidelines: (1) reductions shall be
23 made in compliance with applicable federal law, including the
24 provisions of the Patient Protection and Affordable Care Act, Public
25 Law No. 111-148, and the Health Care and Education Reconciliation
26 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
27 Act") and any subsequent amendments thereto or regulations promul-
28 gated thereunder; (2) reductions shall be made in a manner that
29 complies with the state medicaid plan approved by the federal
30 centers for medicare and medicaid services, provided, however, that
31 the commissioner of health is authorized to submit any state plan
32 amendment or seek other federal approval, including waiver authori-
33 ty, to implement the provisions of the medicaid savings allocation
34 adjustment that meets the other criteria set forth herein; (3)
35 reductions shall be made in a manner that maximizes federal finan-
36 cial participation, to the extent practicable, including any federal
37 financial participation that is available or is reasonably expected
38 to become available, in the discretion of the commissioner, under
39 the Affordable Care Act; (4) reductions shall be made uniformly
40 among categories of services and geographic regions of the state, to
41 the extent practicable, and shall be made uniformly within a catego-
42 ry of service, to the extent practicable, except where the commis-
43 sioner determines that there are sufficient grounds for non-uniform-
44 ity, including but not limited to: the extent to which specific
45 categories of services contributed to department of health medicaid
46 state funds spending in excess of the limits specified herein; the
47 need to maintain safety net services in underserved communities; or
48 the potential benefits of pursuing innovative payment models contem-
49 plated by the Affordable Care Act, in which case such grounds shall
50 be set forth in the medicaid savings allocation adjustment; and (5)
51 reductions shall be made in a manner that does not unnecessarily

1 create administrative burdens to medicaid applicants and recipients
2 or providers.

3 The commissioner shall seek the input of the legislature, as well as
4 organizations representing health care providers, consumers, busi-
5 nesses, workers, health insurers, and others with relevant exper-
6 tise, in developing such medicaid savings allocation adjustment, to
7 the extent that all or part of such adjustment, in the discretion of
8 the commissioner, is likely to have a material impact on the overall
9 medicaid program, particular categories of service or particular
10 geographic regions of the state.

11 (a) The commissioner shall post the medicaid savings allocation
12 adjustment on the department of health's website and shall provide
13 written copies of such adjustment to the chairs of the senate
14 finance and the assembly ways and means committees at least 30 days
15 before the date on which implementation is expected to begin.

16 (b) The commissioner may revise the medicaid savings allocation
17 adjustment subsequent to the provisions of notice and prior to
18 implementation but needs to provide a new notice pursuant to subpar-
19 agraph (i) of this paragraph only if the commissioner determines, in
20 his or her discretion, that such revisions materially alter the
21 adjustment.

22 Notwithstanding the provisions of paragraphs (a) and (b) of this
23 subdivision, the commissioner need not seek the input described in
24 paragraph (a) of this subdivision or provide notice pursuant to
25 paragraph (b) of this subdivision if, in the discretion of the
26 commissioner, expedited development and implementation of a medicaid
27 savings allocation adjustment is necessary due to a public health
28 emergency.

29 For purposes of this section, a public health emergency is defined as:

- 30 (i) a disaster, natural or otherwise, that significantly increases
31 the immediate need for health care personnel in an area of the
32 state; (ii) an event or condition that creates a widespread risk of
33 exposure to a serious communicable disease, or the potential for
34 such widespread risk of exposure; or (iii) any other event or condi-
35 tion determined by the commissioner to constitute an imminent threat
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of
38 such medicaid savings allocation adjustment from taking effect
39 retroactively to the extent permitted by the federal centers for
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the
42 commissioner of the department of health shall reduce department of
43 health state funds medicaid spending by the amount of the projected
44 overspending through, actions including, but not limited to modify-
45 ing or suspending reimbursement methods, including but not limited
46 to all fees, premium levels and rates of payment, notwithstanding
47 any provision of law that sets a specific amount or methodology for
48 any such payments or rates of payment; modifying medicaid program
49 benefits; seeking all necessary federal approvals, including, but
50 not limited to waivers, waiver amendments; and suspending time
51 frames for notice, approval or certification of rate requirements,

4 The department of health shall prepare a quarterly report that sets
5 forth: (a) known and projected department of health medicaid expend-
6 itures as described in subdivision (1) of this section, and factors
7 that could result in medicaid disbursements for the relevant state
8 fiscal year to exceed the projected department of health state funds
9 disbursements in the enacted budget financial plan pursuant to
10 subdivision 3 of section 23 of the state finance law, including
11 spending increases or decreases due to: enrollment fluctuations,
12 rate changes, utilization changes, MRT investments, and shift of
13 beneficiaries to managed care; and variations in offline medicaid
14 payments; and (b) the actions taken to implement any medicaid
15 savings allocation adjustment implemented pursuant to subdivision
16 (4) of this section, including information concerning the impact of
17 such actions on each category of service and each geographic region
18 of the state. Each such quarterly report shall be provided to the
19 chairs of the senate finance and the assembly ways and means commit-
20 tees and shall be posted on the department of health's website in a
21 timely manner.

22 The money hereby appropriated is available for payment of liabilities
23 heretofore and hereafter accrued and shall be available to the
24 department net of disallowances, refunds, reimbursements, and cred-
25 its.

26 Notwithstanding any other provision of law, the money hereby appropri-

28 any appropriation of the department of health, and may be increased
29 or decreased by transfer or suballocation between these appropriated

4 excluding any payments which are not appropriated within the depart-

6 through March 31, 2022, shall not exceed \$23,531,327,000 except as
7 provided below and state share medicaid spending, in the aggregate,

10 shall department of health state funds medicaid spending for the
11 period April 1, 2021 through [March 31] September 15, 2023 exceed
12 [\$49,118,443,000] \$49,468,214,000. Provided, however, such aggre-
13 gate limits may be adjusted by the director of the budget to account
14 for any changes in the New York state federal medical assistance
15 percentage amount established pursuant to the federal social securi-
16 ty act, increases in provider revenues, reductions in local social
17 services district payments for medical assistance administration,
18 minimum wage increases, and beginning April 1, 2012 the operational
19 costs of the New York state medical indemnity fund, pursuant to
20 chapter 59 of the laws of 2011, and state costs or savings from the
21 essential plan program. Such projections may be adjusted by the
22 director of the budget to account for increased or expedited depart-
23 ment of health state funds medicaid expenditures as a result of a
24 natural or other type of disaster, including a governmental declara-
25 tion of emergency.

26 The director of the budget, in consultation with the commissioner of
27 health, shall assess on a quarterly basis known and projected medi-
28 caid expenditures by category of service and by geographic region,
29 as defined by the commissioner, incurred both prior to and subse-
30 quent to such assessment for each such period, and if the director
31 of the budget determines that such expenditures are expected to
32 cause medicaid spending for such period to exceed the aggregate
33 limit specified herein for such period, the state medicaid director,
34 in consultation with the director of the budget and the commissioner
35 of health, shall develop a medicaid savings allocation adjustment to
36 limit such spending to the aggregate limit specified herein for such
37 period.

38 Such medicaid savings allocation adjustment shall be designed, to
39 reduce the expenditures authorized by the appropriations herein in
40 compliance with the following guidelines: (1) reductions shall be
41 made in compliance with applicable federal law, including the
42 provisions of the Patient Protection and Affordable Care Act, Public
43 Law No. 111-148, and the Health Care and Education Reconciliation
44 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
45 Act") and any subsequent amendments thereto or regulations promul-
46 gated thereunder; (2) reductions shall be made in a manner that
47 complies with the state medicaid plan approved by the federal
48 centers for medicare and medicaid services, provided, however, that
49 the commissioner of health is authorized to submit any state plan
50 amendment or seek other federal approval, including waiver authori-
51 ty, to implement the provisions of the medicaid savings allocation
52 adjustment that meets the other criteria set forth herein; (3)

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2022-23

1 reductions shall be made in a manner that maximizes federal finan-
2 cial participation, to the extent practicable, including any federal
3 financial participation that is available or is reasonably expected
4 to become available, in the discretion of the commissioner, under
5 the Affordable Care Act; (4) reductions shall be made uniformly
6 among categories of services and geographic regions of the state, to
7 the extent practicable, and shall be made uniformly within a catego-
8 ry of service, to the extent practicable, except where the commis-
9 sioner determines that there are sufficient grounds for non-uniform-
10 ity, including but not limited to: the extent to which specific
11 categories of services contributed to department of health medicaid
12 state funds spending in excess of the limits specified herein; the
13 need to maintain safety net services in underserved communities; or
14 the potential benefits of pursuing innovative payment models contem-
15 plated by the Affordable Care Act, in which case such grounds shall
16 be set forth in the medicaid savings allocation adjustment; and (5)
17 reductions shall be made in a manner that does not unnecessarily
18 create administrative burdens to medicaid applicants and recipients
19 or providers.

20 The commissioner shall seek the input of the legislature, as well as
21 organizations representing health care providers, consumers, busi-
22 nesses, workers, health insurers, and others with relevant exper-
23 tise, in developing such medicaid savings allocation adjustment, to
24 the extent that all or part of such adjustment, in the discretion of
25 the commissioner, is likely to have a material impact on the overall
26 medicaid program, particular categories of service or particular
27 geographic regions of the state.

28 (a) The commissioner shall post the medicaid savings allocation
29 adjustment on the department of health's website and shall provide
30 written copies of such adjustment to the chairs of the senate
31 finance and the assembly ways and means committees at least 30 days
32 before the date on which implementation is expected to begin.

33 (b) The commissioner may revise the medicaid savings allocation
34 adjustment subsequent to the provisions of notice and prior to
35 implementation but needs to provide a new notice pursuant to subpar-
36 agraph (i) of this paragraph only if the commissioner determines, in
37 his or her discretion, that such revisions materially alter the
38 adjustment.

39 Notwithstanding the provisions of paragraphs (a) and (b) of this
40 subdivision, the commissioner need not seek the input described in
41 paragraph (a) of this subdivision or provide notice pursuant to
42 paragraph (b) of this subdivision if, in the discretion of the
43 commissioner, expedited development and implementation of a medicaid
44 savings allocation adjustment is necessary due to a public health
45 emergency.

46 For purposes of this section, a public health emergency is defined as:
47 (i) a disaster, natural or otherwise, that significantly increases
48 the immediate need for health care personnel in an area of the
49 state; (ii) an event or condition that creates a widespread risk of
50 exposure to a serious communicable disease, or the potential for
51 such widespread risk of exposure; or (iii) any other event or condi-

1 tion determined by the commissioner to constitute an imminent threat
2 to public health.

3 Nothing in this paragraph shall be deemed to prevent all or part of
4 such medicaid savings allocation adjustment from taking effect
5 retroactively to the extent permitted by the federal centers for
6 medicare and medicaid services.

7 In accordance with the medicaid savings allocation adjustment, the
8 commissioner of the department of health shall reduce department of
9 health state funds medicaid spending by the amount of the projected
10 overspending through, actions including, but not limited to modify-
11 ing or suspending reimbursement methods, including but not limited
12 to all fees, premium levels and rates of payment, notwithstanding
13 any provision of law that sets a specific amount or methodology for
14 any such payments or rates of payment; modifying or discontinuing
15 medicaid program benefits; seeking all necessary federal approvals,
16 including, but not limited to waivers, waiver amendments; and
17 suspending time frames for notice, approval or certification of rate
18 requirements, notwithstanding any provision of law, rule or regu-
19 lation to the contrary, including but not limited to sections 2807
20 and 3614 of the public health law, section 18 of chapter 2 of the
21 laws of 1988, and 18 NYCRR 505.14(h).

22 The department of health shall prepare a quarterly report that sets
23 forth: (a) known and projected department of health medicaid expend-
24 itures as described in subdivision (1) of this section, and factors
25 that could result in medicaid disbursements for the relevant state
26 fiscal year to exceed the projected department of health state funds
27 disbursements in the enacted budget financial plan pursuant to
28 subdivision 3 of section 23 of the state finance law, including
29 spending increases or decreases due to: enrollment fluctuations,
30 rate changes, utilization changes, MRT investments, and shift of
31 beneficiaries to managed care; and variations in offline medicaid
32 payments; and (b) the actions taken to implement any medicaid
33 savings allocation adjustment implemented pursuant to subdivision
34 (4) of this section, including information concerning the impact of
35 such actions on each category of service and each geographic region
36 of the state. Each such quarterly report shall be provided to the
37 chairs of the senate finance and the assembly ways and means commit-
38 tees and shall be posted on the department of health's website in a
39 timely manner.

40 The money hereby appropriated is to be available for payment of aid
41 heretofore accrued or hereafter accrued to municipalities, and to
42 providers of medical services pursuant to section 367-b of the
43 social services law, and for payment of state aid to municipalities
44 and to providers of family care where payment systems through the
45 fiscal intermediaries are not operational.

46 Notwithstanding any inconsistent provision of law to the contrary,
47 funds may be used by the department for outside legal assistance on
48 issues involving the federal government, the conduct of preadmission

28 eligible under these appropriations and any other reporting deemed
29 necessary by the commissioner. The amounts appropriated herein may

5 for the period April 1, 2022 through [March 31] September 15, 2023,
6 shall not exceed [\$25,587,116,000] \$25,936,887,000, but in no event
7 shall department of health state funds medicaid spending for the
8 period April 1, 2021 through [March 31] September 15, 2023 exceed
9 [\$49,118,443,000] \$49,468,214,000 provided, however, such aggregate
10 limits may be adjusted by the director of the budget to account for
11 any changes in the New York state federal medical assistance
12 percentage amount established pursuant to the federal social securi-
13 ty act, increases in provider revenues, reductions in local social
14 services district payments for medical assistance administration,
15 minimum wage increases and beginning April 1, 2012 the operational
16 costs of the New York state medical indemnity fund, pursuant to
17 chapter 59 of the laws of 2011, and state costs or savings from the
18 essential plan program. Such projections may be adjusted by the
19 director of the budget to account for increased or expedited depart-
20 ment of health state funds medicaid expenditures as a result of a
21 natural or other type of disaster, including a governmental declara-
22 tion of emergency.

23 The director of the budget, in consultation with the commissioner of
24 health, shall assess on a quarterly basis known and projected medi-
25 caid expenditures by category of service and by geographic region,
26 as determined by the commissioner of health, incurred both prior to
27 and subsequent to such assessment for each such period, and if the
28 director of the budget determines that such expenditures are
29 expected to cause medicaid spending for such period to exceed the
30 aggregate limit specified herein for such period, the state medicaid
31 director, in consultation with the director of the budget and the
32 commissioner of health, shall develop a medicaid savings allocation
33 adjustment to limit such spending to the aggregate limit specified
34 herein for such period.

35 Such medicaid savings allocation adjustment shall be designed, to
36 reduce the expenditures authorized by the appropriations herein in
37 compliance with the following guidelines: (1) reductions shall be
38 made in compliance with applicable federal law, including the
39 provisions of the Patient Protection and Affordable Care Act, Public
40 Law No. 111-148, and the Health Care and Education Reconciliation
41 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
42 Act") and any subsequent amendments thereto or regulations promul-
43 gated thereunder; (2) reductions shall be made in a manner that
44 complies with the state medicaid plan approved by the federal
45 centers for medicare and medicaid services, provided, however, that
46 the commissioner of health is authorized to submit any state plan
47 amendment or seek other federal approval, including waiver authori-
48 ty, to implement the provisions of the medicaid savings allocation
49 adjustment that meets the other criteria set forth herein; (3)
50 reductions shall be made in a manner that maximizes federal finan-
51 cial participation, to the extent practicable, including any federal
52 financial participation that is available or is reasonably expected

1 to become available, in the discretion of the commissioner, under
2 the Affordable Care Act; (4) reductions shall be made uniformly
3 among categories of services and geographic regions of the state, to
4 the extent practicable, and shall be made uniformly within a category
5 of service, to the extent practicable, except where the commissioner
6 determines that there are sufficient grounds for non-uniformity,
7 including but not limited to: the extent to which specific
8 categories of services contributed to department of health medicaid
9 state funds spending in excess of the limits specified herein; the
10 need to maintain safety net services in underserved communities; or
11 the potential benefits of pursuing innovative payment models contemplated
12 by the Affordable Care Act, in which case such grounds shall
13 be set forth in the medicaid savings allocation adjustment; and (5)
14 reductions shall be made in a manner that does not unnecessarily
15 create administrative burdens to medicaid applicants and recipients
16 or providers.

17 The commissioner shall seek the input of the legislature, as well as
18 organizations representing health care providers, consumers, businesses,
19 workers, health insurers, and others with relevant expertise, in developing
20 such medicaid savings allocation adjustment, to the extent that all or part
21 of such adjustment, in the discretion of the commissioner, is likely to
22 have a material impact on the overall medicaid program, particular
23 categories of service or particular geographic regions of the state.

25 (a) The commissioner shall post the medicaid savings allocation
26 adjustment on the department of health's website and shall provide
27 written copies of such plan to the chairs of the senate finance and
28 the assembly ways and means committees at least 30 days before the
29 date on which implementation is expected to begin.

30 (b) The commissioner may revise the medicaid savings allocation
31 adjustment subsequent to the provisions of notice and prior to
32 implementation but needs to provide a new notice pursuant to subparagraph
33 (i) of this paragraph only if the commissioner determines, in his or her
34 discretion, that such revisions materially alter the plan.
35

36 Notwithstanding the provisions of paragraphs (a) and (b) of this
37 subdivision, the commissioner need not seek the input described in
38 paragraph (a) of this subdivision or provide notice pursuant to
39 paragraph (b) of this subdivision if, in the discretion of the
40 commissioner, expedited development and implementation of a medicaid
41 savings allocation adjustment is necessary due to a public health
42 emergency.

43 For purposes of this section, a public health emergency is defined as:

44 (i) a disaster, natural or otherwise, that significantly increases
45 the immediate need for health care personnel in an area of the
46 state; (ii) an event or condition that creates a widespread risk of
47 exposure to a serious communicable disease, or the potential for
48 such widespread risk of exposure; or (iii) any other event or condition
49 determined by the commissioner to constitute an imminent threat
50 to public health.

51 Nothing in this paragraph shall be deemed to prevent all or part of

21 that could result in medicaid disbursements for the relevant state
22 fiscal year to exceed the projected department of health state funds

25 spending increases or decreases due to: enrollment fluctuations,
26 rate changes, utilization changes, MRT investments, and shift of
27 beneficiaries to managed care; and variations in offline medicaid
28 payments; and (b) the actions taken to implement any medicaid
29 savings allocation adjustment implemented pursuant to subdivision
30 (4) of this section, including information concerning the impact of
31 such actions on each category of service and each geographic region
32 of the state. Each such quarterly report shall be provided to the
33 chairs of the senate finance and the assembly ways and means commit-
34 tees and shall be posted on the department of health's website in a

30 subdivision, the commissioner need not seek the input described in
31 paragraph (a) of this subdivision or provide notice pursuant to
32 paragraph (b) of this subdivision if, in the discretion of the
33 commissioner, expedited development and implementation of a medicaid
34 savings allocation adjustment is necessary due to a public health
35 emergency.

37 (i) a disaster, natural or otherwise, that significantly increases
38 the immediate need for health care personnel in an area of the
39 state; (ii) an event or condition that creates a widespread risk of
40 exposure to a serious communicable disease, or the potential for
41 such widespread risk of exposure; or (iii) any other event or condi-

34 fiscal intermediaries are not operational, to reimburse such provid-
35 ers for costs attributable to the provision of care to patients
36 eligible for medical assistance. Notwithstanding any inconsistent
37 provision of law, the moneys hereby appropriated may be increased or

4 amount for the period April 1, 2022 to [March 31] September 15,

20 [\$49,118,443,000] \$49,468,214,000 provided, however, such aggregate
21 limits may be adjusted by the director of the budget to account for
22 any changes in the New York state federal medical assistance
23 percentage amount established pursuant to the federal social securi-
24 ty act, increases in provider revenues, reductions in local social
25 services district payments for medical assistance administration,
26 minimum wage increases and beginning April 1, 2012 the operational
27 costs of the New York state medical indemnity fund, pursuant to
28 chapter 59 of the laws of 2011, and state costs or savings from the
29 essential plan. Such projections may be adjusted by the director of
30 the budget to account for increased or expedited department of
31 health state funds medicaid expenditures as a result of a natural or
32 other type of disaster, including a governmental declaration of
33 emergency.

34 The director of the budget, in consultation with the commissioner of
35 health, shall assess on a quarterly basis known and projected medi-
36 caid expenditures by category of service and by geographic region,
37 as determined by the commissioner of health, incurred both prior to
38 and subsequent to such assessment for each such period, and if the
39 director of the budget determines that such expenditures are
40 expected to cause medicaid spending for such period to exceed the
41 aggregate limit specified herein for such period, the state medicaid
42 director, in consultation with the director of the budget and the
43 commissioner of health, shall develop a medicaid savings allocation
44 adjustment to limit such spending to the aggregate limit specified
45 herein for such period.

46 Such medicaid savings allocation adjustment shall be designed, to

49 made in compliance with applicable federal law, including the
50 provisions of the Patient Protection and Affordable Care Act, Public
51 Law No. 111-148, and the Health Care and Education Reconciliation
52 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

2 gated thereunder; (2) reductions shall be made in a manner that
3 complies with the state medicaid plan approved by the federal
4 centers for medicare and medicaid services, provided, however, that
5 the commissioner of health is authorized to submit any state plan
6 amendment or seek other federal approval, including waiver authori-
7 ty, to implement the provisions of the medicaid savings allocation
8 adjustment that meets the other criteria set forth herein; (3)
9 reductions shall be made in a manner that maximizes federal finan-
10 cial participation, to the extent practicable, including any federal
11 financial participation that is available or is reasonably expected
12 to become available, in the discretion of the commissioner, under
13 the Affordable Care Act; (4) reductions shall be made uniformly
14 among categories of services and geographic regions of the state, to
15 the extent practicable, and shall be made uniformly within a catego-
16 ry of service, to the extent practicable, except where the commis-
17 sioner determines that there are sufficient grounds for non-uniform-
18 ity, including but not limited to: the extent to which specific
19 categories of services contributed to department of health medicaid
20 state funds spending in excess of the limits specified herein; the
21 need to maintain safety net services in underserved communities; or
22 the potential benefits of pursuing innovative payment models contem-
23 plated by the Affordable Care Act, in which case such grounds shall
24 be set forth in the medicaid savings allocation adjustment; and (5)
25 reductions shall be made in a manner that does not unnecessarily
26 create administrative burdens to medicaid applicants and recipients
27 or providers.

28 The commissioner shall seek the input of the legislature, as well as
29 organizations representing health care providers, consumers, busi-
30 nesses, workers, health insurers, and others with relevant exper-
31 tise, in developing such medicaid savings allocation adjustment, to
32 the extent that all or part of such adjustment, in the discretion of
33 the commissioner, is likely to have a material impact on the overall
34 medicaid program, particular categories of service or particular
35 geographic regions of the state.

36 (a) The commissioner shall post the medicaid savings allocation
37 adjustment on the department of health's website and shall provide
38 written copies of such plan to the chairs of the senate finance and
39 the assembly ways and means committees at least 30 days before the
40 date on which implementation is expected to begin.

41 (b) The commissioner may revise the medicaid savings allocation
42 adjustment subsequent to the provisions of notice and prior to
43 implementation but needs to provide a new notice pursuant to subpar-
44 agraph (i) of this paragraph only if the commissioner determines, in
45 his or her discretion, that such revisions materially alter the
46 plan.

47 Notwithstanding the provisions of paragraphs (a) and (b) of this
48 subdivision, the commissioner need not seek the input described in
49 paragraph (a) of this subdivision or provide notice pursuant to
50 paragraph (b) of this subdivision if, in the discretion of the
51 commissioner, expedited development and implementation of a medicaid
