## PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for non-institutional services to implement coverage and reimbursement changes to NYS Office of Mental Health licensed Personalized Recovery Oriented Services (PROS) to better address the mental health needs of Medicaid beneficiaries. The following changes are proposed:

### Non-Institutional Services

Effective on or after October 1, 2023, the New York State Department of Health proposes to amend the State Plan to modernize and simplify the Personalized Recovery Oriented Services (PROS) program to improve access to services and quality of care. The proposed amendment will amend PROS provider qualifications and service definitions and add new services.

The proposed amendment will also amend the reimbursement methodology for PROS to reduce the number of the base rate tiers from five to three and remove program participation time from the definition of service units.

There is no estimated change in gross Medicaid expenditures as a result of this amendment.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at [http://www.health.ny.gov/regulations/state\\_plans/status](http://www.health.ny.gov/regulations/state_plans/status). ## PUBLIC NOTICE

Department of Health

Pursuant to 42 CFR Section 447.205, the Department of Health hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for non-institutional services. The following changes are proposed:

#### Non-Institutional Services

Effective on or after October 1, 2023, the Department of Health will update rates paid to both clinics licensed under the Article 28 of the Public Health Law and private practitioners that have been designated by the Office of Mental Health to provide collaborative care services. The rates for Article 28 clinics will be simplified to eliminate certain supplemental payments (i.e., retainer payment), eliminating the need for an additional claim submission. The resulting rate will then be trended from the inception of the program to CY 2023 using the Medicare Economic Index, a net 14% increase. Private practitioner rates, will also be increased to be equivalent to the Article 28 rates.

The estimated net aggregate increase in gross fee-for-service Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2023-2024 is \$739,000. The estimated net aggregate increase in gross fee-for-service Medicaid expenditures attributable to this initiative contained in the budget for state fiscal year 2024-2025 is \$1.5 million.
